

# MUNICIPAL PLANNING STRATEGY

Planning for the future of the Town of Antigonish

## FROM ENGAGE TO ENVISION

### Purpose of the strategy:

The Municipal Planning Strategy (MPS) is a guide for future decision making for the Town's physical, environmental, economic, social and cultural development. The LUB is the support document to the MPS for land use development within the Town.

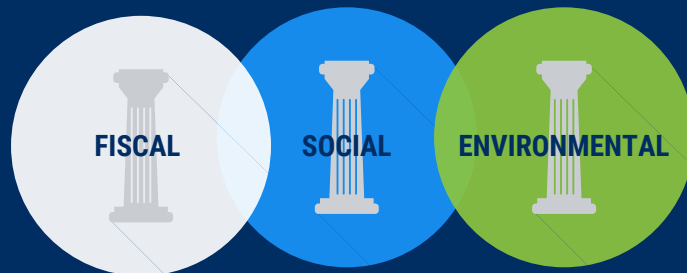

The review process began with the Engage and Envision Antigonish Community Consultation sessions.

Citizens provided feedback on their main concerns and top priorities for building a stronger and more sustainable Antigonish.

## SUSTAINABILITY

Citizen feedback was used to create realistic and actionable goals and that align with three pillars of community sustainability:

The MPS' 8 action areas align with the community's top priorities and pillars of sustainability.
