## Town of Antigonish Photo/Mural Program 2020: Application Form

The Town of Antigonish is seeking submissions for the Photo/ Mural Program from local artists. Each potential participant can submit up to three mural designs. In the initial application process the Town is looking for a well thought out concept or idea, not a fully completed design. The Town will also accept previously completed designs that meet the themes outlined below. The Town will work with the chosen artist on timelines and acquisition of materials needed to complete the final design. This is an exciting opportunity to create art while sharing a story that represents the vibrancy of Antigonish. Murals selected will receive \$1000 and their artwork displayed in Antigonish for years to come.

\*Concepts for paintings, digital designs, sculptures, designs with alternative materials, photography, etc. will all be accepted for review. The Town's Beautification Committee along with the property owner of the selected location will review and choose the final submission.

### Requirements for Participation
