It shall be the policy of the Town of Antigonish that the Town Fire Hall shall be used primarily for those purposes related to fire protection and shall include but not be limited to storage of equipment and supplies, fire training and meetings of the Volunteer Fire Department membership and committees thereof. The Antigonish Volunteer Fire Department may also rent available space at the Fire Hall at an appropriate rate when it is practical and reasonable to do so and when rented these funds shall be retained by the Antigonish Volunteer Fire Department to advance the Fire Department. Further to this it is also understood that the Town may request the use of available space at the Fire Hall. At such times this space will be made available at no cost to the Town. However when the Town requires such space over an extended period of time or at regular intervals the Town shall pay a preferred rental rate to the Antigonish Volunteer Fire Department.
