**Community Navigation and Physician Retention Services Association  
Welcomes New Interim Community Navigator Jamie Mattie**

Meghan MacGillivray Case, Chair of the Community Navigation and Physician Retention Services Association—which includes the Town of Antigonish, the Municipality of the County of Antigonish, and the St. Martha's Regional Hospital Foundation—would like to announce Jamie Mattie as the Interim Community Navigator during Susie Doucet's maternity leave.

Mr. Mattie is deeply connected to the Antigonish area and combines a global perspective with a passion for community development. With a background in healthcare, education, and professional sports, he brings a unique ability to build meaningful relationships. Mr. Mattie is committed to helping new physicians and their families feel welcomed and settled in the Antigonish community.

Meghan says that the Association is excited to have Mr. Mattie in this role and know that her experience and local expertise will help create a welcoming and supportive environment for healthcare professionals and their families, so that we can ensure our community has quality health and medical care now, and for years to come! Best wishes as well to Ms. Doucet during her Maternity Leave.
