New Resident & Tenant Waste Management Information

A THOUSAND WELCOMES TO OUR COMMUNITY

We understand with any move that there can be questions regarding services and responsibilities. We take pride in our waste management program. The cooperation of our residents plays a major role in the success of the program. This information is intended to provide some guidance and contact information to assist with waste management at your place of residence. If you ever have a question, please contact us.

RESPONSIBILITIES

OWNER/LANDLORD WITH RESIDENTIAL COLLECTION

- Provide waste-resource separation containers with signage as applicable for use in the home or apartment
- Provide direction to those who reside in the home or apartment on proper waste separation
- Ensure any external storage including the green cart used between collections, is kept clean and to the rear or side of the property out of view from the street
- Ensure that all waste-resources be placed curbside for collection according to the collection schedule not early than 9PM the night before and no later than 7AM the day of
- Ensure that all non-collected waste-resources including containers are removed by 9PM the day of collection and returned to the side or rear of property; any rejected waste-resources to be properly sorted for the next collection day

OWNER/LANDLORD WITH COMMERCIAL COLLECTION

- Must provide for proper waste separation within their building and on their property, unless otherwise indicated through an agreement with the tenant. This includes properly signed waste-resource separation containers, clear bags for garbage and transparent blue for recycling.
- Ensure that external storage/commercial collection containers are to the side or rear of the property.
- Educate residents and tenants on proper separation and storage locations for the property.

RESIDENTS/TENANTS

- Must separate waste-resources according to the sorting guide and following the owner/landlord's instruction.
- Buy and use the proper bags when not provided by the landlord. Clear bags must be used for garbage and blue transparent for recycling.
- Notify us if the property is not set up for proper waste separation.
